General Rate Policy

All advertising is accepted subject to the terms and provisions in this rate card. Orders are accepted subject to change in rates upon notice from Publisher. The Publisher reserves the right to reject advertising which it feels is not in keeping with the publication's standards. The Publisher shall not be responsible or liable for loss of profit, loss of business or any other consequential damages as a result of any error or omission in or of an advertisement. The Publisher assumes no liability for errors or omissions in reader service numbers or advertiser's indexes. The Publisher is not liable for any failure to publish or circulate all or any part of any issue because of circumstances beyond its control. In consideration of the acceptance of any advertising from the advertiser and/or the advertising agency for publication at the rates set forth in the Publisher's rate card, the advertiser and/or the advertising agency represents and warrants that all material delivered to the Publisher for publication shall be free of libel and that publication thereof will not violate or infringe any copyright, trademark, right of privacy, or any other statutory or common law property right of any person, and that the advertiser and/or the advertising agency will indemnify, defend and save harmless the Publisher, its agents, assigns and successors against any claim, demand, cost, expenses and damages, including reasonable attorneys' fees incurred by the Publisher, arising out of or in connection with any breach by the advertiser and/or the advertising agency of any of the foregoing. Publisher reserves the right to place the word "Advertisement" in advertising which, in the Publisher's opinion, resembles editorial. The Publisher reserves the right to change rates and terms herein at any time without notice. Contract advertisers will be given a grace period of 90 days from effective date of any rate increase. Advertisers may cancel contract at time rate revision becomes effective without incurring short rate adjustment providing that contract rate has been earned up to date of cancellation. However, cover and special position advertising commitments are non-cancelable. Advertisers will be short-rated to appropriate rate card frequency if, within calendar year 2009, they do not advertise at the frequency on which their agreed to rate has been based. Advertisers will be rebated if, within the calendar year 2009, they use sufficient additional space to warrant a lower rate than that at which they were originally billed. Publisher cannot guarantee where ads are positioned within the magazine in a given month.

Billing & Payment Terms

Invoices are dated as of the issue date and are payable upon receipt in U.S.A. funds. Non-receipt of tearsheets and/or checking copies is not an excuse for non-payment. (If charges due the Publisher from agency for advertisements placed in conformance with this rate card are not paid within 60 days, the Publisher may, at its option, collect said charges from the advertiser, and agency shall execute all necessary assignments.) If payment to the publisher is not made within 60 days, the advertiser will not be allowed to contract advertising services until all invoices are paid in full.
