RFMW to Exhibit at IMS 2012 in Montreal

RFMW announces its participation and attendance at the IEEE International Microwave Symposium 2012 (IMS2012). Celebrating the 60th anniversary of the Microwave Theory and Techniques Society (MTT-S) and featuring the theme Microwave Without Borders, the IMS2012 will be the centerpiece of Microwave Week June 17-22, 2012. Co-located with IMS2012 are the RFIC symposium and the ARFTG conference.

Where Booth #1801 in the main convention hall. 1001 Place Jean-Paul-Riopelle, Montreal, Canada

When June 17 – 22, 2012: Exposition Tuesday, 19 June (9:00 to 17:00) - Wednesday, 20 June (9:00 to 19:00) - Thursday, 21 June (9:00 to 15:00).

Overview RFMW will feature the latest products from their focused, RF suppliers and provide demonstrations on leading edge test and measurement technology. Product highlights include high power GaN amplifiers, high frequency MMIC amplifiers, new switch and attenuator technologies and the latest in small cell filtering for LTE and other wireless infrastructure.

About RFMW RFMW Ltd. is a specialty electronics distribution company focused exclusively on serving customers that require RF and microwave components and semiconductors, as well as component engineering support. The company continues to expand its list of products from selective suppliers with RF/microwave expertise. RFMW deploys a highly experienced, technically skilled team to assist customers with component selection and fulfillment.
