

New Representation for Spacek Labs' Millimeter-Wave Products

Posted by Janine E. Mooney, Editor

Spacek Labs, a developer and manufacturer of high-quality microwave and millimeter-wave products for over 30 years, has appointed The Thorson Company of Signal Hill, CA, to represent Spacek Labs in Southern California. The Thorson Company has over 50 years experience as sales representatives. Their website is www.thorsonsocal.com [1] and their e-mail contact is thorsonsocal@msn.com [2].

Spacek Labs, Inc., 212 East Gutierrez Street Santa Barbara, CA 93101 (805) 564-4404 Fax: (805) 966-3249 Web: www.spaceklabs.com [3]
