

# Tech Valley Communications to Attend Tri-City Expo 2013

Tech Valley Communications

ALBANY, NY – September 4, 2013 – Tech Valley Communications (TVC), a facilities-based telecommunications service provider operating fiber optic networks in Upstate New York and Northern New England with connectivity to Canada, announced that it will attend Tri-City Expo, New Hampshire's largest business to business expo, on September 26, 2013 in Manchester, New Hampshire.

TVC is a leading provider of high speed Internet, voice and data services to enterprise, carrier and wholesale customers in Upstate New York, New Hampshire, Vermont, Massachusetts and Maine. The Company provides its services over its own fiber optic network to clientele across industries, including high tech manufacturing and research, hospitals and healthcare, banking and financial, K-12, colleges and universities, residences and dormitories, professional offices, public safety agencies, and local and state governments.

In its 25th year, the Tri-City Expo is the premiere networking event in central New Hampshire hosted by a partnership between the Greater Concord, Nashua and Manchester Chambers of Commerce. The over 200 exhibitors and 1,200 attendees are able to network and interact with not only each other, but also with the decision makers from New Hampshire's most forward thinking businesses.
