

## Narda Microwave-East

### [www.DEPT26.com](http://www.DEPT26.com)

Dept26.com is a new web site for Narda's new low cost products. These products include attenuators, couplers, power dividers and RF mechanical switches. These products are available through Narda's new e-commerce website, Dept.26.com, and are available from stock. Visit the site so you can register for a computer giveaway.
