## Front End Rectifier

The NP2500 rectifier is part of the NP Series. The NP2500 provides a 7,500 watt system in 3 U of rack space. The NP Series of interchangeable rectifiers is designed to be an integral part of a complete distributed power system. The NP rectifiers are rated at 800, 1200, 1500, and 2500 watts, and accepts worldwide AC input voltages.
