

## Attenuators Catalog

Alan Industries' 2003 product catalog is available on CD. The CD features the entire product line of attenuators, including: rotary attenuators (DC to 2200 MHz); micro-miniature 2 watt fixed attenuators (DC to 18 GHz); 10, 25, and 50 watt fixed attenuators (DC to 18 GHz); 100 watt fixed attenuators (DC to 3 GHz). The catalog also features a line of terminations and bias tees.
