

## EDGE/WLAN Special Interest Seminar

The seminar will be held on October 22 at the upcoming CTIA show in Las Vegas and will include speakers from T-Mobile, Cingular Wireless, TTPCom and Nortel. The theme of the event is "How Can EDGE & WLAN Technologies Bridge the Gap to 3G?" The seminar is designed to impart knowledge of how EDGE and/or WLAN fit into Operators' pre-3G plans, allow terminal developers to better plan new EDGE and WLAN terminal products and give insight into the key challenges in EDGE/WLAN infrastructure & terminals.

The seminar is directed toward terminal developers aiming at North American markets and others who wish to understand how EDGE & WLAN technologies can be used while we wait for the full deployment of 3G.

Panelists, both GSM operators and technologists, will discuss how 3G services are expected to be a core offering for them in 2004 and how EDGE & WLAN technologies will be deployed in the infrastructure. How will this work? Vendors to the wireless operators may be interested in how this future-view will affect equipment specifications in the coming year. The panel will consist of the following operators and vendors:

Operator Panel:

&#149 T-Mobile - Bruce Cech

&#149 Cingular Wireless - Terry Durand

&#149 AT&T Wireless - TBD

&#149 Asian/European Operator - TBD

Participating EDGE/WLAN Vendors:

&#149 TTPCom - EDGE/WLAN Protocol Stack

&#149 Nortel - EDGE/WLAN Base Station Infrastructure

Date and Location:

&#149 October 22, 2003 - at CTIA WI Show - Sands Expo Center, Las Vegas/Venetian Hotel, Casanova Meeting Room 507, Sands Expo lower level, below the Venetian Ballroom, adjacent to the CTIA WI Show 2003.

Time:

&#149 Presentations at 11.00am-12.30pm and repeated 3.00pm-4.30pm

In addition to two formal sessions, the seminar room will be staffed all day should you prefer a more personal discussion. Please email us via

Melissa@orchardvalleypr.com if you plan to attend. If you are unable to attend, but believe that others at your company may be interested, please feel free to forward this invitation along to them.
