

New Economy Trimmers from NTE

WDD Staff

NTE [1] (Bloomfield, NJ) has added a new series of Economy Trimmers to their Potentiometer & Trimmer line. The trimmers are 3/8" square single turn, cermet, and side adjustable. Features include:

- 1/2 W.
- 10% tolerance.
- Economically priced.
- RoHS compliant.
- Industrial/sealed.
- IC style pins for easier board insertion.
