

SV Microwave's SMP Connectors

WDD Staff

[SV Microwave](http://www.svmicrowave.com) [1] (West Palm Beach, FL)

offers a complete line of SMP connectors that conform to DSCC 94007, 94008 and MIL-STD-348. The SMP connector was developed to meet an industry need for a smaller high frequency compact design that incorporated ease of use and functionality. The SMP bullet is the heart of this unique design. Features include:

- SMP connectors: Operation at high frequencies of DC to 40 GHz.
- SMPM connectors: Operation at high frequencies of DC to 65 GHz.
- SMPS connectors: Operation at high frequencies of DC to 100 GHz.
